MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: John J. Bird
National Intelligence Officer for Warning

SUBJECT: Bi-Weekly Warning Support

1. Attached is my bi-weekly warning review list, which in the past has been used to periodically inform the DCI of global trends.

2. The intent behind the list is to keep true warning issues in sight during periods when current events do not necessarily inspire new reporting. The effort is a joint one, taking into account the views of other NIOs as well as community perceptions developed during regular warning meetings.

3. I would be pleased to provide you with amplification of any item or to render any additional support you desire.

John J. Bird
